

M A R Q U E T T E

Often imitated but never equaled, the classic design of the Marquette chair provides a creative seating solution for fun or formal applications. Refined graphic cutouts, derived from details found in architecture and precisely defined by light and shadow, enhance the form. The pliable hardwood shell, paired with the flexible steel rod base, delivers responsive comfort. These iconic chairs are sturdy and can stack up to 10 high on the Marquette transport/stacking dolly.

MARQUETTE

design: Leland Design Group

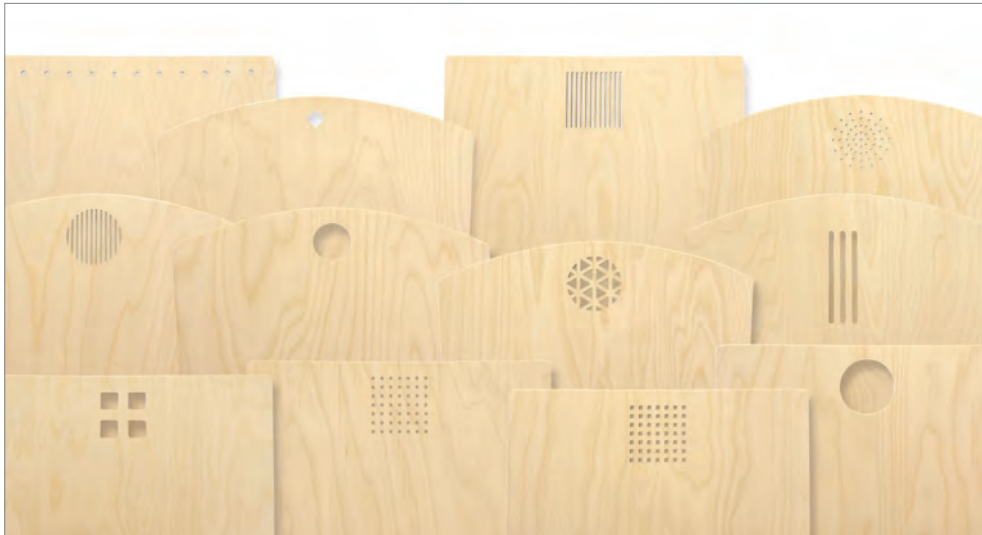

Side Chair
w 19¾ d 21 h 34 sh 18½

Arm Chair
