7 GLOBAL INFLUENCE

Interface's World Woven skinny planks and square floor tiles have the look of undyed wool and sport patterns inspired by such tried-and-true classics as Scottish tweed. They are made with 100 per cent recycled nylon. interface.com

8 PRIVATE SCREENING

A part of **Allsteel's** Gather suite, Clubhouse forms a secluded room within a room with its opaque mesh screening. Upholstered bench seating can be fitted with storage cubbies. allsteeloffice.com

9 BEYOND THE SURFACE

Milliken's newest line of carpet tiles, Lapidus, was inspired by the natural granite known for its dramatic striations. The tiles pick up on the stone's earthy richness and character using a low-lustre yarn and tip shearing to create textural interest. millikencarpet.com

10 NATURAL GLOW

The burnt-orange upholstery on **Leland's** Palomino guest chair would add vibrancy to any executive lounge. The wood-leg version (shown) has a self-return swivel. lelandinternational.com

11 BOLD AND BEAUTIFUL

Part of Collections Infinities by **Tarkett**, Riot by Georgianna Stout transitions from bold floral to colourful pixelation. The effect is achieved through two full-pattern tiles and a set of transitional pieces. It's the brand's first digitally printed vinyl tile. tarkettna.com

12 NEXT GENERATION

All five pieces to come out of **Bernhardt Design's** student-designer studio this year speak to a casual approach to working, and include a leather-handled ottoman and low-to-the-ground chairs that can zip together into a sofa. bernhardtdesign.com
