**1. Leland International: Slam**[lelandinternational.com](http://lelandinternational.com)**Space 3-337** Reader Service No. 237

The Slam chair gives the illusion that it is floating on air thanks to the receding glides of the aluminum frame. The shell of the chair is captured between the sides of the frame, and the refined proportions allude to a lightness of scale.

**2. Bernhardt: Powerbar**[bernhardtdesign.com](http://bernhardtdesign.com)**Space 399** Reader Service No. 238

The Powerbar table was made in a collaboration between Bernhart Design and the founders of the fashion label Raleigh Denim. Inspired by the cutting tables used in the textile industry, Powerbar is designed for the tablet-wielding generation but is made of a durable wood that will allow it to age well. Available in counter and bar heights, the table also includes a second tier for storage.

**3. Keilhauer: K-Modern Tufted Tuxedo**[keilhauer.com](http://keilhauer.com)**Space 373** Reader Service No. 239

The Tufted Tuxedo sofa from the K-Modern series was designed to celebrate the modern sensibility that emerged in the mid-20th century. Its sleek legs and low profile exude a timeless element referenced from a contemporary vantage point.
