If your order includes any products not on this list, please contact Leland Customer Experience for a custom freight quote.

**HOW IT WORKS**

1. Confirm all products on your order are eligible for the freight program.
2. Determine the LIST value of your order.
3. Determine the zone to which the freight will be shipping (Zones A-D)
4. Calculate your freight and brokerage charges by multiplying the list price and applicable zone charges (e.g.: \$10,000 LIST order shipping to Ontario is \$10,000 x 0.07 = \$700 NET freight).
5. Verify that your calculated charges include applicable minimums.
6. Note on your PO "Freight and brokerage determined by Leland Freight and Brokerage Program".

**MINIMUM CHARGES**

- A \$100 minimum is applied to stacking chairs.
- A \$195 minimum is applied to non-stacking chairs and tables.

**REMEMBER**

- Freight percentages are based on LIST price of order.
- Orders of \$40,000 LIST or more require a custom freight and brokerage quote, please contact Leland Customer Experience.
- Leland International Freight Program is based on dockside delivery only, Call Before Delivery (\$30 NET), Residential Delivery, Inside Delivery, etc. will incur additional charges; please contact Leland Customer Experience for current prices.
- Freight is FOB Grand Rapids, MI 49512; the receiving company is responsible for noting any damage **at the time of delivery** on the Delivery Receipt. Leland International assumes no responsibility for freight damage, either noted on delivery receipt or concealed.
- As fuel prices fluctuate, Leland International reserves the right to add necessary fuel surcharges. This will be updated at our website, lelandinternational.com
- **This Freight and Brokerage Program includes all brokerage and border crossing fees. It does not include GST.**
